Border Patrol

**Proceeds to Benefit Young Adults
with Physical and Mental Disabilities**

Held At & Sponsored by:

Gossips Bar and Grill

KDK Foundation

169 Hickory Court Farmington, MN 55024

OUR MISSION:

To provide people with disabilities, life affirming experiences both in and outside of their homes.

To provide them with the opportunity to continue to enjoy and discover the gifts they possess.

To afford them the opportunity to realize their dreams, and make those dreams a reality.

We are writing to ask for your support in raising funds for people with disabilities living in our communities.

Due to cut in taxes, funds were taken away from these young adults living in group homes throughout the metro area. These funds provided the opportunities that make a real difference in these people's lives in many ways. Some of these activities which were cut include: Wilderness Trips, Zoo and Museums Memberships, Tickets to Cultural and Sporting Events, and Therapeutic Swimming and Horseback Riding.

The cost of these activities average \$1000.00 per person yearly. We have been working hard to provide these activities for 32 homes with 200+ disabled young people, by holding benefits.

Please see the attached flyer regarding our next benefit, and please post for your patrons and employees.

We are in need of your support and the support of others you may know, by attending our benefit or through donations. Donations can be made out to:

**KDK Foundation
169 Hickory Court
Farmington, MN 55024**

Please help these young adults with disabilities to be able to continue to enjoy these opportunities, the opportunity to make choices, to discover the gifts they possess, and realize their dreams.

Thank you for taking the time to consider the lives of these very special people.
Together we CAN and WILL make their world A BETTER PLACE!
